SAHARA

SAFARI

Sunset/3622/Alder

TAKE ALL THE ROOM YOU WANT

Inspired by the vast open space that characterizes the Sahara, this coach features three roomy floorplans in 36, 37 and 39-foot lengths. An elegant dinette offers a space-saving spot for a quick bite or to dash off a letter to friends. And on cool nights, you'll love curling up on the couch to watch a movie on the 25-inch stereo television.

An optional pull-out sofa, extended dinette or computer table work beautifully in the space. But even if you choose the standards, you'll have plenty of room to sprawl, thanks to the living room slide featured on every Sahara model. Better yet, choose the 37-foot model for a triple-slide floorplan.

EXTERIORS

No other coach in its price range features full-body paint as standard on every model. Four eye-catching exterior color schemes offer everything from subtle to bright treatments. Whatever your personal style, you'll fall in love with one. You'll appreciate the full-body paint because it provides durability, low maintenance and stands up to the rigors of the road.

SAHARA FLOORPLANS

The Sahara is available in three floorplans and a host of options. All of them are livable, spacious and brilliantly designed. Whether you're in search for a 36-foot, 37-foot or 39-foot model, you'll be delighted with the

options, complete with the choice of double or triple slide-outs. Of course, every floorplan features plenty of storage and roomy living areas.

** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.*

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Safari provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Safari dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves

the right, at any time, to make changes in product design, material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show

props or decorations that are not standard equipment on Safari models. Safari, the Safari logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.
